

UpToDate® Mobile Access Tip Sheet

Getting Registered

Access UpToDate by going to <http://uptodate.ucsf.edu>. If you are accessing it remotely, you will first have to log in to your MyAccess account. Once you are registered, you can download the Mobile App and earn CME credits! You can decline to register with UpToDate, but you will need to decline every 2 weeks and will not have access to the mobile client or be able to earn CME credits.

Access to Mobile App

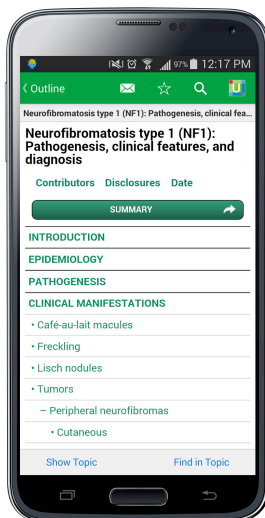

Once you are registered, you can install the Mobile App on up to two devices by following the instructions below:

1. On your smartphone or tablet, search for “UpToDate” in your app store and install the free app.
2. Open the UpToDate Mobile App upon completion of download.
3. Log in with your UpToDate User Name and Password. *You only need to do this once – the app remembers your User Name and Password.*

Mobile-Friendly UpToDate

- In addition to the Mobile App, you can access UpToDate from any device with internet access.
- Simply go to <http://uptodate.ucsf.edu>, login with MyAccess and then login with your UpToDate User Name and Password. You can decline to register with UpToDate, but you will need to decline every 2 weeks and will not have access to the mobile client or be able to earn CME credits.

Maintaining Access

- In order to maintain uninterrupted remote access to UpToDate, you must re-verify your affiliation with UCSF once every 90 days.
- Re-verification can be done using one of the following methods:

Preferred Method

- ➔ 1. Access UpToDate via <http://uptodate.ucsf.edu> once every 90 days and log in with your MyAccess account. This will automatically re-verify your affiliation. This method requires no UpToDate log in.
- OR –
2. Login to UpToDate by going to www.uptodate.com from a computer or device connected to UCSF's network. This method requires you to log in to UpToDate with your UpToDate User Name and Password.

Please Note: In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 80. You will receive a second alert at day 90. If you fail to re-verify by day 90, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined in steps 1 or 2.
